

# SESI 2 BENCHMARKING BERSAMA UNITEC

The screenshot displays a Zoom meeting interface. The main window shows a presentation slide from Unitec titled "Unitec Land Surveying 1 2024 Semester 1". The slide content includes the following:

Unitec  
Civil Engineering & Surveying

Land Surveying 1  
Practical Activities.  
Due Date: Refer to Table 1 below  
Total Marks: 20  
Course Weighting: 20%

1. Aim  
The aim of these practical activities is for students to learn how they can use and check land surveying instruments. Table 1 shows the description of each practical activity. Note that due dates shown are indicative and may change.

Activity	Description	Due Dates	Marks
1	Setting up level and reading levelling staff	Week 2	4
2	Two-peg test	Week 3	4
3	Setting up total station	Week 6	4
4	Measuring and booking angles	Week 7	4
5	Total station and EDM check	Week 8	4
TOTAL			20

2. Health and Safety  
Required PPE (hi-vis safety vest and steel-cap boots) must be worn at all times by everyone working in the field.  
PPE must be worn from the time you leave the survey store until you return to the survey store.  
If you have no PPE, you will not be allowed to attend the practical sessions or work in the field.  
Non-compliance with PPE requirements will also result in you being reported to the Health & Safety.

Zoom interface elements include a top toolbar with icons for Chat, People, Raise, React, View, Rooms, Apps, More, Camera, Mic, and Stop sharing. A bottom toolbar shows icons for Chat, People, Raise, React, View, Rooms, Apps, More, Camera, Mic, and Stop sharing. A gallery view at the bottom shows five participants: Nurjahanah, Ahmad Syaqui Bin Md Fasan, David Poyner, Mohd Razmi Zainudin, and Rozaini Binti Ramli.
